

Calendar of trips and trips of the Union for February 2018.

ATTENTION!

1. One-day non-category weekend trips, designed for ordinary healthy people, and do not require special training and equipment. They are manufactured in safe areas and tested by repeated repetitions for many years. To ensure the safe participation in them, sufficiently common security measures and ordinary conscious prudent everyday behavior. Tourists participating in such travel should be attentive, cautious, prudent, count their strengths and opportunities to participate in the journey. Tourists themselves provide their own safety, they themselves determine the possibility of their participation in the journey without harm to health, and if they feel worse, they can interrupt the route at any time and stop for a rest or even return to the bus.
2. In the warm season, you need to beware of tick bites. Tourists should have inoculations from encephalitis and be dressed in overalls. Not vaccinated and without overalls tourists travel at their own peril and risk. Important measures to prevent bite of ticks are frequent close examinations of parts of the body relating to grass and tree branches and the removal of detected ticks.
3. Equipment - good mountain boots and leggings to protect feet from moisture and snow, jacket, cap, backpack 25-30l. It is desirable (but not necessary) to have track sticks, sunglasses, a hooded jacket, a scarf, gloves.
4. The trip will take place in any weather, but the route can be changed by the decision of the group. On the day of departure, telephone calls with a guide are possible from 07:00. morning.
5. Public Association "SPTK" is not responsible for the things left in beads and also in the office.
